I F: 2024 Because of Jesus

illumi Nations

We want to be part of the generation that helps to finish translating the Bible into every language! Through the illumiNations Twelve Verse Challenge, we're committed to funding the translation of Scripture, so every person on the planet can understand God's Word in their own heart language. At IF:2024, you'll have an opportunity to partner with illumiNations to make the Word of God accessible to ALL people by 2033.
